

## PRESS RELEASE

## **STONG'S MARKET TO OPEN NEW LOCATION IN SQUAMISH, BC**

*New concept store will feature deli, local fresh produce, and grab & go meals*

**North Vancouver, September 22, 2023** – Stong's Market is proud to announce that Squamish, BC will become home to our third location in Spring 2024. The new concept store will focus on organic, fresh and local, while becoming an integrated part of the Squamish community. As a leading locally owned independent grocery store, Stong's Market has been providing exceptional selection with a community-based commitment for over 90 years.

The new Stong's Market Squamish location will begin construction in November 2023 with a grand opening scheduled for March 2024. The new store will be located downtown on Cleveland Avenue. The launch of Stong's Express Online Grocery Delivery will begin this November, serving the local community.

The new Stong's Market will be a much smaller footprint than our current locations, and will focus on convenience and serving the growing community within and around Squamish. With features including a huge selection of hot meals to go, Edibles deli, Harvest fresh produce and our well known STEMS floral and gift ware, the new Stong's Market is being designed with the active, outdoor, Squamish lifestyle in mind.

"We are excited to be opening our third location as a new concept for Stong's in the growing community of Squamish," said Brian Bradley, President, Stong's Market. "We understand the importance of our local communities and becoming an integrated part of the places we call home. With our commitment to supporting local vendors and unique fresh offerings, Squamish is the ideal place for our newest Stong's Market."

Stong's believes in being a good neighbour. Our support of local BC communities and charities dates back to the first store opened by Carson Stong in 1931. Mr. Stong's generosity and leadership have served as the foundation of Stong's commitment to the community. That involvement has earned us a reputation of being more than just the local Vancouver grocer.
